Subject: Extension of Date for Online Admission Form for UoT Nowshera

Respected Sir,

Our admission session is in progress. The deadline is 25th August 2023. However, most of our candidates are diploma holders and belong to Far areas like Fata, Dir Upper, Chitral etc. and they have issues with internet and access to online pages and therefore, they are asking for further extension of the present deadline.

Keeping in view this situation the admission committee of UoT Nowshera is requesting for extension of apply till 28th August 2023.

Kind Regards,

Tuheed ur Rehman
